Morehead State University

Student Social Work Association

"Where you can make a difference"

Come Join the S.S.W.A.

S.S.W.A ..." Striving to help others in our Community"

What is the SSWA?

Student Social Work Associations are student lead organizations that can be found on college campuses all across the United States. Most of these organization all have similar agendas, which promotes education, goodwill, and charitable services throughout their communities.

The Mt. Sterling Student Social Work Association takes part in assisting and /or organizing many worthwhile, charitable community functions in Montgomery and the surrounding counties. The Association is made up of students from *all* different fields of study, that have joined together in order to make a positive difference.

The association was first formed in the fall of 2007, following the suggestion of the Mt. Sterling Campus Social Work Director Jeanette Groeber. The committee consist of a number of MSU students with Mrs. Groeber serving as their advisor. All activities and services are volunteer and not-for-profit functions.

How you can become involved…

All MSU students are welcome to participate in the SSWA. Students are very busy and have hectic schedules. The SSWA offers the MSU student an opportunity to help in their community by asking that you donate time, money, items or any assistance you can offer according to your own personal availability . There are no dues or fees for involvement and you can participate in any activity you are available for.

"We make a living by what we get, we make a life by what we give"
- Sir Winston Churchill

The SSWA will be meeting on the 2nd Wednesday of every month from 4:30-5:30 pm at the MSU Mt. Sterling campus.

So come join us, you *CAN* make a difference in your community!
