

MISSION STATEMENT

MSU Mt. Sterling shall serve as a regional campus for Morehead State University providing educational programs to the citizens of Montgomery County and surrounding counties. Recognizing the character of the service region, MSU Mt. Sterling will focus on meeting the needs of “region bound” students in the area. Because of the strong industrial base in Montgomery County, MSU Mt. Sterling shall foster close working relationships with these industries in order to provide services needed by them and their employees as well as to assist in the development and enhancement of the region’s economic base.
