

TAKE A STAND FOR EQUALITY AT MOREHEAD STATE!

The Hobbs Endowment for Equality Scholarship Program encourages gay, lesbian, bisexual, and transgender undergraduate and graduate students at Morehead State University (MSU) to apply for the two scholarships made possible by generous contributions from many people. The objective of the scholarship program is to recognize and encourage academic excellence and to offer financial support to meritorious students pursuing a bachelor's or advanced degree at MSU. Scholarship recipients are chosen by a competitive selection process, and will have clearly demonstrated strong skills in many areas, including academic scholarship, leadership involvement, and community service in their application.

Recent studies show the average age for a gay or lesbian youth to come out is now 16-years-old — down from earlier studies showing the average age at 19 to 23 years old.
